VISION

The power of one is incredible, but the fearless and focused community is boundless. Together we win, together we prove LOVE beats cancer.

The Young and Brave Foundation is a 501(c)(3) nonprofit dedicated to helping today's children, young adults and families overcome the challenges and hardships of a cancer diagnosis. Built on the foundation of LOVE, we exist to inspire, encourage, inform, as well as to invest directly into treatment and recovery. We do so through networking, community building, and providing one location for all families to start their fight!

From the beginning, the underlying theme in everything that we have done has been LOVE.

WARRIOR PROGRAM

The simple solution to your fundraising needs, our partnership with LOVEbeatscancer.fund ensures our 100% policy. Our goal is to make sure every single penny contributed goes to the fight against cancer.

You or a loved one have received the unthinkable diagnosis of cancer, been referred to the specialist, your physician has developed the best plan of attack and so the journey begins...

This journey however is more than just medicine, it involves emotional support, LOVE, prayer, and at times monetary assistance. Cancer in every detail is an overwhelming experience, which is exactly why we have partnered with LOVEbeatscancer.fund. A streamlined approach to fundraising is something we so desperately needed when our loved one was faced with cancer. Every dollar contributed to a WARRIOR goes directly to that family or individuals fight for life.
