

## Giving Back

There's no better way to show your love and support for The Young and Brave Foundation than through the real estate program. Prove to your clients that you are committed to your business and your community. The money donated will go to families battling cancer and our programs to help encourage, love, and support. So that no family, child, or young adult fights alone.

With a minimum sign up of \$150.00 you will be added to the list of our amazing agents and officers featured on our website and media outlets. This gives you access to our official logo and marketing materials to show clients that you have partnered with a worthy cause.

With the close of every escrow, refinance, commercial and residential transaction you can directly contribute to The Young and Brave Foundation in honor of your client. We know you are on the go so we made the process simple. Each time you close a deal, log on to [theyoungandbrave.com/real-estate](http://theyoungandbrave.com/real-estate) and enter your transaction details, choose your donation level, and a thank you letter will be mailed to your clients on your behalf.
